SAINT-TROPEZ

SPRING 2019

The image shows a modern wine shop interior. The ceiling is highly reflective, creating a complex, multi-layered visual effect. The walls are lined with wooden shelving units that hold numerous wine bottles. In the center, a long wooden table is set with several wine bottles and glasses. A large, white, branch-like decorative object stands on the table. The lighting is warm and focused, highlighting the products and the architectural details.
